Medical Grand Rounds

Date: March 14, 2014, 12:00 -1:00 PM
With refreshments to follow

Location: Bernard Snell Hall
Walter C. Mackenzie Health Sciences Centre

Topic: “Health Choices, Decision Analysis, and the
Psychology of Medical Decision Making”

Presenter: Dr. Harvey V. Fineberg,
President, Institute of Medicine

Health Care Visionary Dr. Harvey V. Fineberg is named the 2013 winner of the Henry G. Friesen International Prize in Health Research. The Prize, recognizes exceptional innovation by a visionary health leader of international stature.

Dr. Fineberg served as Provost of Harvard University from 1997 to 2001, following thirteen years as Dean of the Harvard School of Public Health. He has devoted most of his academic career to the fields of health policy and medical decision-making. His past research has focused on the process of policy development and implementation, assessment of medical technology, evaluation and use of vaccines, and dissemination of medical innovations.

This event is an accredited group learning activity as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

The evaluation for DoM Medical Grand Rounds can be accessed at <https://redcap.med.ualberta.ca/surveys/?s=wWPpuZ> OR use the mobile friendly version by scanning the QR code with your smartphone.

This event will be livestreamed and video recorded.
